

The BBC website has excellent tips and galleries of images to get you interested on their 'Britain in Pictures' site. It's based around two programmes: 'How We Built Britain' and 'Britain in Pictures' - www.bbc.co.uk/britain.

Gallery of more than 1000 images from 2 shows.

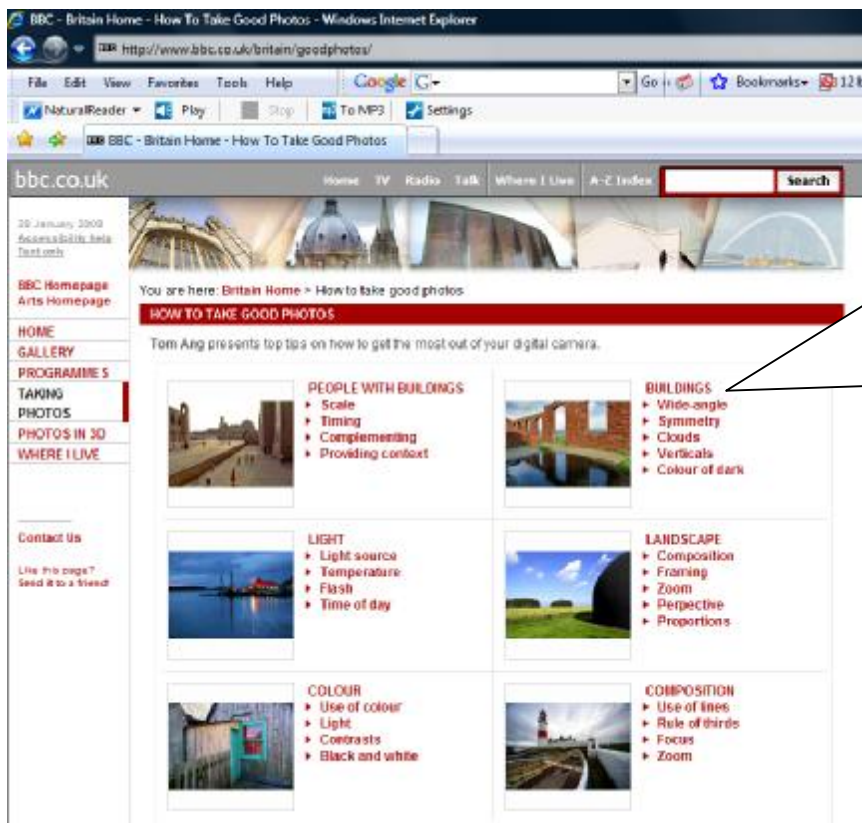

More about the programmes. The 'Britain In Pictures' section has sample pictures taken by guests with comments.

Excellent tips with example photos – see below.

You'll need a decent PC and have to download a program from Microsoft – 'Photosynth'

Images from areas of the UK including Bristol. This link takes you to the map of UK.

This link takes you to a list of locations.

'Taking Photos' section.
