

Google© have a range of specialised area searches to help you find the most useful information.

You've probably seen a few of these on the main [Google](http://www.google.co.uk) page www.google.co.uk

To find out more about how to use these do any of the following;

- Type www.google.com/help/features.html into the address bar of your browser
- Type "Google help search features" into Google and pick "[Google Help: Search Features](#)" from the results.

See Gerry if you want support with these features
